Now these are the sort of curves we'd like to drive round at high speed. "Hang on, take your time," smiles Ashaya, parting her legs and playing with her pink insides. "To get me in the mood I like a long slow licking up and down my slit. When I'm ready you can suck on my clit and when I'm really horny you can thrust your tongue in. Shall we begin?"

until he had none left!

My boyfriend tucked his dick back in and took me back inside for more fun!

*Tessa, West Sussex.*

I was dripping wet and all I wanted to do was take even more of his cock! I stood up and turned around, my hands on the handle bars and my pussy sliding down his huge shaft again, this time my clit picking up the vibrations from the bike even more.

I groaned loudly as I orgasmed, my ass bouncing up and down hard.

## Ride on time

Having sex with my boyfriend on his motorbike is the sexiest thing.

Last night he'd just come back from a ride and driven into the garage.

I came in and seductively removed my knickers, T-shirt and bra. Completely naked, I started to unzip his jeans, desperate to get hold of his cock! His dick sprang free, a good six inches in size and about as thick as my wrist. With the bike still purring I swung one leg over and stood just above his cock, rubbing the head against my wet pussy.

I placed a hand on either of his shoulders and sat down, taking his cock from

## Feeling Hornby

Setting off to pick up my hubby James from the station I wore nothing more than a black leather trench coat, striped black stockings, a pair of black ankle boots and my best smile.

Every time I hit a red light my hand instantly wormed its way under my coat so I could finger my pussy and play with my clit rings. By the time I pulled up in the car park I was shaking from my first orgasm of the day!

I didn't have long to wait on the platform before the train pulled in and I spotted James standing in the carriage doorway. I unfastened my coat and pushed it back over my hips so he could have a good look - his eyes nearly popped out. Needless to say so did

a lot of the other passengers on the train judging by their ear-to-ear grins! I felt so horny with all those hot eyes staring

my pussy lips and flicked my clit rings, doing his best to lap up my hot sticky lady juice. He then pushed two fin-

shelter. Within seconds I was sat on the back of the bench seat, my coat wide open and James' hot tongue lapping at my pussy. I told him I'd just brought myself off in the car and this seemed to spur him on even more as he sucked faster rhythm. I knew it wouldn't take me long so I gripped his hips and forced his cock deep inside me and held him there while my pussy muscles went in to a spasm with my second orgasm.

Seconds later James pulled out and jetted his jizz all over my tits and face, I didn't think he would ever finish. I could feel it running down my face so I licked my lips and took it in to my mouth.

He told me to bend over and before I could resist he was pounding my pussy from behind, his ball-bag slapping against my clit rings, my cum-covered tits wobbling wildly,

his cum running off my chin. His breathing grew louder and my clit tingled it was so sensitive, as we came together.

Walking back to the car a young guy approached who had recognised me from *Escort*. He said he'd been spying on us and was going home to have a wank now! *Sheila, West Yorks.*

After a few seconds I pulled my coat closed and gave him a big hug. I could feel the bulge of his cock pressing against my pussy as we kissed, so I reached down and stroked that big pork sword through his trousers.

I don't know what the other passengers were thinking as the train pulled away but I could guess. We waited a minute or so while the station emptied then he took me by the hand and led me in to the platform

gers inside me and started to suck on my hard nipples while I reached down and unzipped his trousers. His fat cock instantly sprang out so I massaged his bell-end with my finger tips before running my fingers down the shaft.

When I got to his bell-end again pre-cum was dribbling out so I ran the end of my fingers around it before putting them in my mouth and sucking off that sticky, salty cum.

We swapped places so I could suck him off - he was really turned on and moaned loudly as I sank my red lips all the way down his shaft to his balls. I've never felt him so big so it was a bit of a struggle and it wasn't long before my mouth was aching with the effort.

Sitting down again I begged him to fill me up. Spreading my legs he rammed his cock in to me as far as it would go before picking up a faster and

SOHO W1

**Dear Julia:** Shame that the photo on the cover of 31.6 wasn't duplicated inside – that's my favourite pose, with the girl on all fours, down on her elbows, completely naked so we can see along her back, the curve of her hips, the swell of her bum and, yes, of course, her pussy and cute little pink bumhole.

The best bits weren't shown on the cover! I AM on record as saying I like pretty toes and neat "inny" pussies. Escort usually

**Dear Julia:** When I saw Kaycee in vol 31 no 4 I fell for her straight away – she's gorgeous. I'm a sexaholic and my fetish is 32B-34C cup tits and tight pussies. CJ, Plymouth.

**Julia says:** I'm an unrecovering sexaholic too!

**Dear Julia:** I'm a connoisseur of fine women and Elli in vol 31 no 6 absolutely stunned me. Not just because of her filthy expression, bouncy boobs and curvy figure but because she's the spitting image of a girl who works in our local shop. Maybe next time you could put her on the cover so I can see the expression on this girl's face when I buy the magazine!

I've never been into stick insect girls, all that picking at their food, puking up lettuce leaves down the loo, making me feel like a pig for stealing chips off their plate. Can't a girl love her food? Harmony's new release, *Curvy Girls Cream Filled*, features girls who look like they eat without checking the calorie counter on the box munching on furburger and chugging down pints of cream. We call it the Harmony diet... And the results look fantastic – as my satiated pussy can testify!

# REAL WIFE SEX

*Sylvia,  
Cardiff*

**Revenge a dish best served cold?  
Stephen finds it best hot, in a  
sizzling romp with the boss's wife!**

**R**ecently I took sweet revenge on my boss, and I can't wait to share the sordid sexual details with all your readers!

I'm a guy of twenty-two and I work for a small insurance company as a Junior Administrator. I hope to progress, but right now I am the general dogsbody who does all the tedious jobs. My colleagues are generally all right – all except my boss, Simon. The guy is in his fifties and he walks around as if he owns the place (which, to be fair, he pretty much does). I am the new kid on the

block, right at the bottom of the food chain, and it boosts his ego ordering me around and playing me for a fool. As he is my boss, I just have to grin and bear it.

Excitement had been building in the office for the annual works function, a posh do to be held at a swanky hotel. A few of the girls had asked whether I was going. I've always done pretty well with the opposite sex, I guess because I'm a young guy in pretty good shape. I'm 6'3" and I have been boxing in the amateur light-heavyweight division

since I was a kid. With all the free booze and the possibility of some lady action, I was beginning to look forward to the night myself. I just hoped that Simon didn't act the cock, because after a few drinks I couldn't be sure that I wouldn't twat him!

It felt great dressing up in a tuxedo for the night. I arrived at the event and the place certainly looked the works, with pretty waitresses handing out champagne and an orchestra played music in the background. As I chatted with some colleagues, I looked around the big function room and spotted Simon. Even in a tuxedo, the guy looked like a fat greasy slob! I decided that it would be best to get the pleasantries (or insults) out of the way, so I nervously wandered over to say hello.

He didn't seem all that pleased to see me. He nodded his head and reluctantly

**I followed her  
mesmerising ass**

shook my hand, but his face remained static.

"This is Simon, my junior administrator, and this is my wife Sylvia."

The guy looked completely disinterested, and he almost spat out the word junior as if he were referring to a tramp off the street. I turned to face his wife, wondering what old hag would be desperate enough to marry the pillock.

I almost had to take a backwards step. Although the lady must have been in her forties, she was stunning; a blonde with big pouting lips and high cheek bones. I instantly noticed her curvy, voluptuous figure. We shook hands and she held my gaze for maybe a moment too long. I blushed and rejoined the rest of the group.

I got a few drinks down me and for a while I avoided Simon, but then with a bit of bravado I went looking for him. I spotted him with his beautiful wife, and believe me, she looked bored as hell. She caught my eye and smiled. She then reached forward and whispered something in her husband's ear, all the time looking over his shoulder and eyeing me up. I watched her make some excuse to Simon and then she walked off, hips swaying hypnotically. As she passed, her eyes never left me. There was a wicked look on her face. I was certain that she cocked her head forward, as if indicate

for me to follow her.

I was already like a dog on heat – my cock was fucking hard for this posh piece. I followed her mesmerising ass as it shimmied up a set of stairs, struggling to walk in her long frock. She kept walking, along corridors and then out through a fire escape. We were out on the balcony – where I am sure we were not allowed, and it was dimly lit and

deserted. She stopped and looked out over the brick terrace. I stayed about ten yards behind, trying to be discreet. But from the sly look on her face, I was sure that she knew that I was there.

It was make or break now. It was possible that I was going to make the biggest mistake of my life – possibly lose my job and even get arrested! But I knew I had to go for it. So I pressed

up against this beautiful forbidden fruit, my hard dick rubbing into her pert ass, then slid my hands up and groped her tits. She looked at me with approval.

My hands slid inside her loose top, underneath her bra, squeezing her fleshy globes. My heart was beating madly,

## Bus-ty bird

**T**uesday night and I was on the bus on my way back from the gym. I was sat close to the back on my own, just staring out of the window.

The journey was uneventful until some lady, probably in her thirties, boarded the bus.

She was dressed like a pro-

build and I'm pretty popular with the ladies, and so I liked the idea that maybe she fancied me! I pretended to stare out of the window, but all the time I watched her reflection. I was sure that she moved closer to me, her long slender thighs were pressed right up against my leg.

My mind started wandering

She expertly rubbed the shaft of my cock until I was close to squirting my juices. Luckily, she pressed the button to stop the bus and mouthed the words "This is my stop." Just as I my heart started to sink, she pulled her finger towards her, instructing me to follow.

It was dark outside and the streets were quiet. She took my hand and led me to the back of the bus shelter, which overlooked a playground.

She pressed her back against the shelter and pulled her skirt up over her hips. "Fuck me," she growled before slipping her tongue inside my mouth and kissing me passionately.

I didn't even take her pants off – I just pulled them to one side and then pulled my

shorts down to my knees. I picked her up by her arse cheeks and lowered her pussy onto my dick.

She released a loud moan as I entered inside her, and I put my hand over her mouth so that she did not make too much noise. The horny bitch bit into my finger, and I knew that she was going to be a goer.

I figured that as she was so fucking keen, I may as well give her a shagging to remember. She proper bounced up and down on my cock, her face contorted in a growl. I felt her nails tearing down my back. I tore the buttons off her

blouse and groped her tits in my hands. I sucked one into my mouth and grazed my teeth over a pink nipple. She was close to an orgasm and was whispering in my ear to fuck her harder.

I thought I would try my luck, and I squeezed a finger inside her ass hole, and when she growled that I was a bad boy, I knew that I was going to pot the black.

I spun her around and fucked her from behind, her hands pressed up against the shelter.

It was such a thrill fucking this chick in public up the ass, knowing that anybody could come at any point. As it was I was the next one to cum, squirting all my spunk all over her pert bum cheeks.

She tidied herself up, gave me a kiss on her lips, thanked me and then she was off. We still meet now and again for no-strings sex!

## Press to play

**M**y wife Abby is forty and has become a truly dirty bitch.

Recently we came back from a night out when she suggested we watch some porn and get mucky. She picked out a DVD and set it to

night a month earlier.

My wife rubbed up against him like a bitch on heat and slowly unzipped him to release his massive ebony cock.

Pushing him back on the settee and dropping to her knees she forced his throbbing pole to the back of her

play then she got my cock out and started to suck it, telling me to watch the action.

I was horrified and excited to see Abby appear on the screen! She was in our living room dressed in seamed stockings, high heels and a cupless basque that outlined her ample tits.

My heart was pounding as the door opened and in walked a total stranger, a Jamaican. I later found out that Abby had passed her number on to Delon at a hen

throat while massaging his balls.

When he was rock solid she poured baby oil on his cock and told him to wank while she watched. She stripped off and her big tits swung as she frantically stroked her clit.

All the time I'm watching, my eyes fixed to the screen as my filthy wife performs.

She pours oil on the man's foot then rubs her shaven pussy against his toes. Unable to contain herself she eases the foot, toe by toe into

her dripping cunt.

Screaming, she bounced up and down till she orgasmed, squirting juice everywhere.

While I was watching this, Abby asked me if I liked what I was seeing. I was too excited to answer and told her to keep sucking my cock.

On the screen, my wife straddled Delon's cock and teased the bulbous end with her clit before slipping on to its full length. She called out for Lester, Delon's mate who was behind the camera to

give her a good fucking.

He appeared in shot naked and forced his thick cock in to her stretched cunt alongside his mate's big one and the two men rammed her to another orgasm.

Then it was their turn. Holding her head back they spunked waves of cum into her wide open mouth which she eagerly lapped up and swallowed before blowing a kiss to the camera.

This made me lose my load down her throat as well.

# I Made CONTACT

These are just the latest randy readers to meet and make it big through the pages of Escort Contact.

**AMANDA, OXON.**  
38-24-36, 60 years old. Letters, p. 6.  
"I want another woman to fuck me on film. Then my husband can join in with us!"

60-something  
Amanda  
(vol 30 no 2)  
was so turned  
on by your  
mail she hit  
the road...

Dear Escort,  
Contact letters give me the sexiest pleasure. Readers always say exactly what they want to do to me and David finds this a real turn on.

We decided to go on a flashing trip to give those randy lorry drivers a good show. I was dressed in black stockings, black and red thong, high heels and a really

sexy red and black bra. I covered the lot with a raincoat.

We headed for the service station, passing lots of lorries on the way. I opened my raincoat and

# 'MY RUDE TRIP!'

David showed his approval with a massive hard-on.

We passed lorry after lorry, each one getting an eyeful of my ample tits and fanny which was really wet now.

One driver let us know he really liked what he saw with a toot and I could clearly see he was playing with his other horn!

At the service station we chose a table near a group of men were having coffee. I soon realised they had noticed my mac had slightly parted, revealing the delights beneath.

I decided to tease them by opening a couple more buttons. The men raised eyebrows between themselves and I thought the bulges in their trousers told me they wanted to see more.

I opened the rest of the

buttons and gave them a real eyeful. My thong had side-ties which I pulled open. I started to play with my pussy but only for a short time as the blokes had raging hard-ons and it all seemed too much for them. We nodded, smiled and left.

On the way home we found a postbox to send our replies to the contact letters. It was overlooked by houses so we put the car headlights on full and gave the locals and passers-by a good show with my tits and pussy.

Please keep writing to us. David thinks I was possibly the first shaven pussy ever to appear in Show Us Yours. We first had photos published in vol 4 no 10 and have been enjoying *Escort* to this day!

Amanda, Oxon

# REAL WIFE SEX

stickiness of her cunt on my fingers as I spread her pussy lips and fingered her pussy. My mouth was pressed up hard against her ear and I whispered that she was a horny little bitch. She just nodded her head frantically and squeezed my cock even harder.

She was soon down on her knees, unzipping my fly and taking my full length in her mouth. She kissed and

licked the shaft before sucking one of my heavy balls in between her lips. She looked up, her long eye lashes fluttering as if butter wouldn't melt in her mouth – all the time sucking me off. I desperately wanted to be inside her now – my cock was aching for a piece of her warm pussy.

I pulled her up, grabbing hold of her buttocks and lifting her off the floor, and then pressed her up against the concrete terrace. I could hear the party downstairs, all of them oblivious to us

partly from panic but mainly from excitement. I waited for her reaction.

"You are a bad boy, aren't you?" she purred, her hand reaching back and gripping hold of my crotch.

Now that I knew she wanted me, I could take control and give her a good

old-fashioned fucking. The fact that she was the wife of my asshole boss just made it all the more pleasurable! I imagined his chubby face as I lifted her red frock high up over her hips. She had a little red devil tattoo on her right buttock, and considering that she looked so prim and proper, this proper blew my mind.

The saucy cow had a pair of black suspenders on, and they looked great with her black high heels. I pulled her lacy pants down her long thighs and slipped my hand in the gaping gap between her legs. I felt the heat and

fucking outside. As I entered her from behind, she released a loud yelping noise. I fucked her hard, my balls slapping against her ripe pink ass cheeks – her panting like a hungry fucking dog. I slapped her arse cheeks with my hand as we fucked, telling her what a sweet hot tight hole she had.

She repeated over and over like a mantra, “Fuck me you horny bastard,” until I was ready to shoot my load all over the place. I pulled out and she took my hot spunk in her perfectly puckered red lips.

Back at the party we mingled with the rest of the guests as if nothing untoward had happened. I still meet up with Sylvia on a casual basis and we have a great time fucking each other's brains out.

Whenever Simon makes a sarcastic comment on work now, it is like water off a duck's back – I just remind myself that I am shagging his wife and smile to myself, knowing that in a couple of hours I'll have my dick thrust between his wife's monstrously big boobs or up her tight little arse while I spank her cheeks or be spunking all over her upturned face! 🍆

Some of those lucky enough to have a cellar store wine in it. Our funny-looking neighbours, we're pretty sure, store a family of five. Kate has a well-stocked whip and dildo sex dungeon which she was only too pleased to show us. After she tied us up and put the ball-gag in, we realised why she had invited us down. "Men are only good for one thing," she sneered. "Making me cum! And if you don't there'll be trouble!" Gulp! Pass the Lambrusco!

## Blinding date

**B**efore a lunch date with my husband he asked me to dress up. So I put on my black basque, see-through thong, stockings and suspenders and boots and he whisked me off to Tewkesbury.

We found a back table in a pub and he ordered coffee and a bottle of wine. He wanted me to flash other men (no problem!) and then gave me a surprise. We were going to meet a man called Nicky who had been writing and texting through the *Escort* Contact page!

Sexy butterflies were flapping in my stomach. Half a bottle later the phone bleeped. Nicky had texted that he was at the bar.

A couple of minutes

later a lovely sexy looking man with a cheeky smile came walking towards us.

We shook hands and he sat down beside me. My husband sat in front of us so

his hand on my thigh.

He began to squeeze my boobs and put his hand under my bum cheek. I couldn't believe it was a lunchtime in a busy pub!

that no-one could see me flashing Nicky the tops of my stockings.

While we made small talk he put his hand on my knee. After a while it moved slowly up my leg and my husband watched smiling as Nicky began kissing me, rubbing

Next thing I felt was his fingers inside my thong, sliding up and down and Nicky saying how wet my fanny was.

He pushed two fingers up my willing hole, carefully shielded by my husband and my skirt. I kissed him as he slowly fingered me and let him

## Dune buggers

**A** warm spring day was forecast so my wife and I went down to the beach for the afternoon.

We took a picnic and settled down in the dunes to eat our lunch.

My wife stripped off and after a while sunning ourselves we found we were no longer alone. A bloke had sat down directly in front of us and stripped off. He was taking a great deal of interest in my wife's naked body.

Diana must have noticed too as she had opened her legs to give him a better view of her sexy shaven fanny.

It wasn't long before the chap was playing with his dick while ogling my wife's privates. As she lay there, opening and closing her legs, another man walked by sporting a large erect prick.

My wife was turning on a

lot of men today – including me.

I started to stroke my wife's pussy and felt she was wet and ready for action.

After some hot finger action I found the umbrella handle a perfect alternative to my fingers. All the while we were being watched by the chap sitting in front of us who was now tossing himself off with great vigour.

My wife exploded into an orgasm and demanded I replace the umbrella with my hard cock. How could a

take a picture on his phone of my pussy under the table.

My hubby was getting very turned on and suggested we go. We drove to a car park where I lay on our back seat with my legs open.

Nicky went down on me straight away, licking my hot slit and paying a lot of attention to my clit which was on fire by now.

Then he fucked my hole with his tongue. It felt so good and I hadn't even touched his cock yet. I was dying to but he wouldn't leave me alone.

Finally I managed to undo his zip and wanked his big

cock. I pulled him down, straddled him and let him suck and squeeze my tits while I rubbed my slit up and down against his prick.

We didn't shag but it was so horny. I came just rubbing myself against his bulbous member. Then I wanked and sucked his cock. He started moaning and came long and hard, his lovely spunk came all over my face and tits.

All the time my husband watched and wanked while I licked Nicky dry. I had the best fuck with my husband when Nicky drove away.

his load and left us. So we decided to walk the short distance back to our camper van down on the sands and take these pics of my wife before I gave her another exciting session of hot sex.

All the while I was fucking her I was thinking of our

escapade in the dunes and the pleasure that my wife had given to those men with her naked shaven haven.

She was obviously excited too and came hard around my pole as I jammed it in and out of her, till I gave her my final spunking thrust.

**M**y wife Pam and I love swinging, but I also love her secret little surprises!

The last one involved her saying she was off out for the day shopping while I had planned a day of gardening.

Ten minutes after she'd left I went to the shed. But it wasn't the lawnmower I found, it was Pam, butt naked, rubbing her cunt with a vibrator!

"Have you got anything that needs planting?" she asked, smiling up at me.

Time to get my green finger out! Pam slipped her legs out of the shed and I knelt between her thighs and hoed through her undergrowth with the vibrating tool she had thoughtfully provided.

**Pam,

"Ah, yeah!" moaned Pam.

I ran my hands round her thighs and cupped her arse cheeks – they were slick with her goo.

Pam turned over and pushed her arse up in the air. I pushed my cock into

## I hoed through her undergrowth

She was awash with pussy juice, it was all over her thighs. And when I sank the toy into her snatch it went all the way in. It looked like I had turned up just in time!

When she's this wet, I like to get my face right in there and breathe it all in, so I opened my mouth wide and drove my tongue deep into her cunt.

her cunt then pulled her arse cheeks wide apart and began to plant my rod in and out of her minge.

She was moaning and groaning then, bumping and grinding back at me with every thrust. I banged away at her tight hole till I couldn't take any more and filled her cunt up to the top.
